

The
Raleigh Sports Club

Dear Members, Guests, and Friends of Raleigh Sports Club:

We hope you had a great Thanksgiving and wish you a healthy holiday season!

Next Wednesday, December 9, at 12:00 noon, we will be having our first ZOOM meeting. Many members have suggested ZOOM over the past several months so we are giving it a go. Jeff Gravely, having all the media experience in the world and a good friend of the RSC has agreed to be our first virtual speaker!

We hope to bring you news of the Club and more information on our Student Athlete of the Month efforts in addition to hearing all about the local sports world from Jeff. It will be interesting to learn his perspective on what Covid 19 has done and what the future might hold.

Many thanks to our Vice President, Nicholas Hulsey for putting this all together!!

You can join us through this ZOOM link. We look forward to "seeing" you Wednesday!

A couple of additional notes. We will not be having a take-out lunch in December. The weather has cooled off and we had 3 beautiful days for the efforts in September, October and November and aren't going to push our luck! We feel it was a success as in November our friends from the Forks Cafeteria served 95 plates! Hopefully, we will have more early next year.

Also, the Board formally decided that we will not be meeting this spring. We have a ways to go but when we get this behind us the RSC will be in a position to resume our face to face meetings and be better than ever.

Stay well and thanks for your support!

Best regards,

The Raleigh Sports Club Officers and Board of Directors
