

The
Raleigh Sports Club

Dear Members, Guests, and Friends of Raleigh Sports Club:

We had a great opening week last week with the NCSU Wrestling Hidlay Brothers Hayden and Trent. This week on Wednesday September 7, we welcome back Joe Giglio "Sports Specialist" with WRALSportsFan. Joe hails from Ringwood N.J. with a BA in History from NCSU in 1997. He was a sportswriter with the N&O from 1995-2000 and has since moved on to be a popular local sports radio host with WRAL Sports. He will surely have some thoughts and insights on this weekend's games involving Va.Tech, Duke, NCSU/ECU and UNC/APP State and others.

Also, the following week on September 14 our speaker will be Robert Jones, former ECU and Dallas Cowboys linebacker. What a career! A reminder about our "Three for Free" membership incentive this year. If you recruit three new members this year, the RSC will give this years or next years annual membership fee.

And be sure to consider a possible \$100 sponsorship of our weekly HS Student Athlete table. We are pleased that we already have sponsorships for all of September ! This will directly support our ability to award scholarships to deserving student athletes at our end of year banquet.
